Conquer COVID-19 Charity Virtual Run/Walk

CIIPA's annual charity walk/run went virtual this year with funds being raised for Resilience Cayman. Resilience Cayman is a volunteer-led initiative that provides food support, financial coaching, intern placements and support for farmers. Resilience has provided groceries for more than 2,500 families, helped 65 CUC customers avoid disconnection during the holidays and recently launch localmarket.ky support local farmers and artisans.

Thanks to sponsors: Baker Tilly, BDO, Deloitte, EisnerAmper, IMS, KPMG, and RSM and our virtual participants, CIIPA was able to raise \$5,025!
